7 Reasons Why Bishops Is Better

	BISHOPS	THE OTHER 99%
Services	Verification of information that's provided plus investigation of undisclosed information	Often only verification of information that's provided
Reporting	Reports are tailored to the needs of the company; - in-depth analysis provided on findings	Cookie-cutter reports
Investigators	Licensed and certified investigators (many with multiple certifications)	Only a few investigators are licensed; heavy use of unlicensed support staff
Experience	100+ years collectively; backgrounds in finance, military, law enforcement, technology and other fields	Varies; often individuals have less than 5 years career experience
Global Reach	Global network of in-the-field experts we've worked with for years	Often untested third party investigators and subcontractors
Technology	Backed by the industry's best platform - SterlingBackcheck	Second-tier or outsourced technology
Cost	Tailored to the type of investigation and the company's needs	Set cost
